

## **Associate Attorney**

Location: Albany, New York

### **Description:**

Seeking a junior business attorney with experience or desire to practice (with suitable coursework) in areas which include banking, renewable energy project development/finance, mergers and acquisitions, work-out, tax (transactional and partnership), employment and shareholder relations/corporate governance for private companies. The role involves bridging the gap between traditional general counsel and high level strategic/financial analysis. Proficiency in excel is highly important, as is an ability to (i) understand financial statements and (ii) operate in an environment where business solutions are integral to resolving legal issues. We prefer 3-5 years of significant experience.

Bonus compensation and salary will be determined by the strength of the applicant's qualifications and performance. Very active pace and as much opportunity as applicant desires. Desire to advance within the firm and the profession is encouraged. All interested applicants shall submit a resume and cover letter to [wjk@trklaw.com](mailto:wjk@trklaw.com).
